■ **Overview of each IR site evaluation organization and details of awards received by ITOCHU ENEX**

All Japanese Listed Companies' Website Ranking 2023 by Nikko Investor Relations Co., Ltd.:

The ranking is compiled after surveying the websites of all 3,970 Japanese listed companies with respect the degree of incorporation of factors that enable stakeholders to acquire information and understand the current situations. The evaluation is based on 164 objective evaluation items set from three viewpoints: understandability, usability, and quantity of information.

ITOCHU ENEX has obtained an AAA grade for the fifth successive year since 2019.

Gomez IR Site Ranking 2023 by BroadBand Security, Inc.:

The ranking reflects the results of a survey of the websites of 3,832 Japanese listed companies according to 234 items in four categories: website usability, enhancements in financial and business performance information, enhancements in company and management information, and willingness and innovativeness in information disclosures.

In 2023, ITOCHU ENEX received the Bronze Award. By category, ITOCHU ENEX was particularly highly evaluated for “willingness and innovativeness in information disclosures,” ranking 20th out of 3,832 companies and 3rd out of 31 companies by sector (wholesale trade).
