Completion of Industrial Gas Filling Station Facility in Indonesia

Itochu Enex Co., Ltd. (headquartered in Minato-ku, Tokyo; Kenji Okada, Representative Director; hereinafter “Itochu Enex”) and affiliated company Itochu Industrial Gas Co., Ltd. (headquartered in Minato-ku, Tokyo; Masatsugu Takashima, President & CEO; hereinafter “Itochu Industrial Gas”) announced that PT. ITC ENEX INDONESIA (hereinafter “PT. ENEX”) established in Indonesia in October 2015, today completed its head office building and filling station.

The PT. ENEX head office building and filling station is located in the Karawang Industrial Estate developed and operated by ITOCHU Corporation and local conglomerate Sinar Mas Group (location: 60 km east of the capital Jakarta, hereinafter “KIIC”). Based at this facility, PT. ENEX will engage in the refill and sale of high-pressure gases such as carbon dioxide and oxygen gas for Japanese companies located in and outside of KIIC as well as for local companies.

Itochu Industrial Gas, which has an equity stake in PT. ENEX, has been supplying high-pressure gases to the manufacturing industry, the food industry, healthcare facilities and other users in Japan for around 100 years.

The Itochu Enex Group will provide a stable supply of high quality high-pressure gas to Japanese companies operating in Indonesia and local companies that are supporting Indonesia’s booming economy by harnessing the know-how it has cultivated domestically.
